PRESIDENT'S MESSAGE

There is a couple of things that need to be mentioned at this time.

First, is the Club By-laws that are to be up-dated, Glen Acrey the V-Pres and I have worked on this and hope to get this done before to to much longer. Glen works nights, I work days, Glen works on Sunday, I work on Saturday. So it is hard for us to get together. Hopeful before much longer we can have this done.

There is already some chapters formed waiting on us to get the By-laws revised, So guess we gonna have to get with it. If you are interested in starting a chapter, go ahead and start and be ready when the By-laws are completed.

Second, Some of the Club Officers have said that they are going to resign this August when the National Election for club officers is due. We need some working people to help with the club. If you are interested in assuming a position, Please send a letter to me about what you might be interested in doing. We need this as soon as possible.

There has been quit-a-few mini Meets around. be sure to set one us in your area and have some Falcon fun.

Our National Meet is well underway, below is a letter we received from the Holiday Inn where the meet will be held.

Dear Roy,

We are reserving 75 hotel rooms for August 14th, 15th, departing on the 16th, also a banquet room for your saturday night banquet. The rooms will be held until 30 days prior to the convention or July 15th at which time we will release any part of the 75 rooms not taken.

Room rates will be \$24.00 single, \$34.00 double, and no charge for children under 18 as long as no additional beds are put in.

Enclosed are menu suggestions and the prices will be no more than 10 percent higher in August. You can use that increase to establish your prices.

We enjoyed having your group with us last year and I assure you we will do our part to make your convention a success.

Yours truly
HOLIDAY INN LAKE HAMILTON
Howard McBride
General Manager

I suggest you make your room reservations early. Enclosed is a pre-registration and room reservation sheet. YOU MUST MAKE YOUR OWN room Reservations. Pre-registration and Banquet Reservations must be sent to the Tour Chairman. Pre-registration will be until July 30, 1981, Be sure to send them in early as possible since it will help us plan more for the meet.

Last year door prizes were donated by several members and business, if you have anything you wish to donate send it to the Tour Chairman.

If anyone wants a booklet on Hot Springs, Arkansas, (this tells about all the Motels, Camping areas and things to do while in Hot Springs, write to: Chamber of Commerce, P.O. Box 1500, Hot Springs, AR 71901, and ask for the booklet entitled Hot Springs, Arkansas.

Hoping to see all of you in August

Roy E. Sword, President
Falcon Club of America

NOTE:

All members please indicate their FCA number when writing to the Club.

MEET REPORTS

A F.C.A. Mini-meet was held at Glen and Linda Acrey's on Saturday, May 2, 1981, in Lonoke, Arkansas. While we were short on members present, we were long on Falcon fun and fellowship. Those present included John Mitchell of Little Rock, 68 Falcon; Joe Kennedy of Cabot, 64 Falcon; Sharble Williams of Benton, 64 Falcon Sprint; Howard Johnson of Bryant, 64 Falcon Sprint; Glen Acrey of Lonoke, 65 Ranchero and Linda Acrey, 64 Falcon Convertible;

The pot luck supper was a big success as the menu included roasted hot dogs, delicious baked beans, tasty potato salad, chips, rolls, cake and all the soft drinks, kool-aid and tea you could drink. There was also volleyball for the kids. All of those present enjoyed it so much that another pot luck supper will be held at Roy Sword's on June 6. Y'all come.

The door prize of 5 quarts of oil (courtesy of Glen Acrey) was won by John Mitchell FCA-421. When the meeting ended Roy and Glen disappeared for at least an hour. Now what do you think two Falcon nuts do when they "disappear"? - why go look at Falcons, of course. It seems Glen knew where a 66 Ranchero was that hasn't run in at least 5 years and was sitting in at least a foot high weed patch. Of course the owner wasn't interested in selling as he plans to restore it - so he says. While they were not successful in rescuing the Ranchero from its sad fate, Roy and Glen had a great time.

1st Middle GA Falcon Club of America Meet.

Sunday the 26th of April dawned bright and clear, I know because I saw the sun come up. That was how the 1st Middle GA Falcon Club of America meet kicked off, plus I was late getting there, 3 cars were already there when I pulled into Williams Plaza parking lot. Oh yes I lost oil press in my trusty 64 hardtop. Oh well!

The cars kept coming and I believe a great time was had by all. A total of 25 cars were signed in some brought familys, some did not. The "1" Shelby 66 GT-350 Hertz in the nation was those along with its stable mate a 1968 KT-500. These cars really drew lots of attention, but lets get back to the Falcons, we really had some great cars, Lynn Moon had a customized 65 that won the most popular car. Hershel & Dahlaskruise travelled the longest distance in their 64 Ranchero.

I want to say thanks to everyone who participated and made the event a sucess., After talking with everyone I believe we will make this an annual event. A little more preparation on my part, the lessons learned will make this an event to watch for.

Again my hat off to everyone and especially our President for the help and support.

Jim

Project info:

For the FALCON NEWS

I haven't received much response to my 64, 65 Ranchero project. I know there are a lot more Rancheros in the Club, and I'd like you all to send me the data plate info on your vehicle so I can put it on the roster. When completed I'll send the results to the Editor.

This combined information can prove to be beneficial to all of us especially in location of hard to find parts.

Thanks
Dave Jones

QUESTION ANSWERS:

For Roger M. Burford, There were 34,039 1966 4 dr's made.

I've just finished going over the newsletter & have some answers for fellow members questions; Hope they help, with regards to Mike Steity 1961, 170:

I'm not very familiar with the holley 1V, only 1100-1101 Autolites, but here goes.

Is the float correctly attached to the needle? Are any check balls in the wrong place? Check all moving or "Free" parts for restricted movement & insure all passages are clear.

As for rust, my method involves aircraft materials.

In doors, Hoods, Deck lids & Fender wells, I've had a lot of success with a thorough sanding & or blasting, 2 coats of Du-Pont "CORPON" primer, & color coat, To keep my work looking fresh for years to come, a coat of L.P.S. #3 motorcycle chain lube displaces water (all drain holes open) & keeps moisture off the metal. Don't use the L.P.S. on surfaces exposed to road abeasions as it will eventually were off.

A 65 Falcon with a 3 speed is a normal occurance, I'd say. The Ford-O-Matic 2 speed ran from 1960-64 on Fairlans, Comets, Falcons and Metors or any Ford car equipped with a 221 - 260 V8 or 144-200 6. In 1965, the 3 speed cruise-O-Matic became the base automatic.

Also in regards to Ford-O-Matic, AAMCO transmissions offers a shift kit (P/N \$K-2V) for it. A vacume modulator with adjusting capability can be had at the local AAMCO shop, Too, I don't have the P/N, but will soon. Should your Ford-O-Matic need rebuilding, get "TO IT GUYS", my fiancee, AAMCO's chief engineer, says parts suppliers are on their last production run. Looks like the demand just isn't there anymore.

Thanks for your time, I hope my words can help you all.
